Once upon a time, there was a living human being who ate cottage cheese for breakfast lunch and supper.

He never felt like sleeping, but he did it anyway. One night when he reluctantly fell asleep he had a dream about c h e e s e.

When he woke up, he felt cheese drunk, but then he realized he wasn't actually awake and he was DREAMING about being awake. When he did wake up, he fell into a large pile of cheese. And so he became known as Cheese Man.

Although he had all that cheese, he was a greedy man and kept it all to himself. He built a house of cheese so he would have a roof over his head, but one day it started caving in. The Cheese Man tried to save his house, but, alas, all he could do was watch it crumble.

Now, Cheese Man's best friend was Ham Man, and when he heard about the house, he decided to share his house with Cheese Man - his house being made out of Ham, for you might've guessed, he loved all things ham related, thus why he was called "Ham Man."

However, Cheese Man was covetous of Ham Man's house and wanted it very badly. Cheese Man, in case you have forgotten, loved all things cheese related which was why he dreamed of one day ruling the world via cheese guns and cheese rays and stuff like that.

He told Ham Man about this dream and got himself a pet dragon to help him rule the world. The dragon's name was "Bruno," but Ham Man said "WE DON'T TALK ABOUT BRUNO!!"

And then Cheese Man was like "Broooo whatttt he's ma dragonnn."

Ham Man got angry with Cheese Man because the name "Bruno" is forbidden, so Ham Man would not help Cheese Man with his quest.

And so Cheese Man, like the dairy product he was, being a spoiled person of the cheese race, got mad and pouted in a corner.

Then Cheese Man went to his arch-nemesis - Peanut Butter-Jam Girl - for help. She decided to help him temporarily, but was still mad from the time Cheese Man stole her bunny slippers.

And so she came up with a master plan which was to coax Cheese Man into thinking they were BFF's before she attacked him! But, for now, she agreed to help him in his quest.

And so the two set off on their quest and journeyed to the Land of Bread where Bread Beasts roamed.

They were walking and walking until OH NO - Cheese Man sank into a cave on one of the Quacksont Mountains. But it actually wasn't a cave, it was a flimsy pancake that was falling in on itself!! The syrup made it difficult to get Cheese Man out!

And then all of a sudden, a rope fell down to Cheese Man who was in the pancake falling-in-thing. It wasn't from Peanut Butter-Jam Girl (because they despise each other), it was from Bagel Man - The Superhero.

Cheese Man looked up to Bagel Man and gasped - the superhero outlaw bagel hadn't been seen in YEARS.

Bagel Man pulled Cheese Man up and explained that Peanut Butter-Jam Girl was not actually going to help him (he's super smart and figured it out...).

Cheese Man was not surprised, but he got super pouty again and started stomping around like an angry cheese.

"Fear not, citizen," said Bagel Man, "I shall find this 'Peanut Butter-Jam' person and ensure bread-liked justice is served!" So Bagel Man went after Peanut Butter-Jam Girl, who ran away, to ensure bread-like justice.

And Cheese Man was left alone on his quest so he sat down on a baguette, but this was not an ordinary baguette....

Then, something interesting caught his eye - a splotch of jelly. Then another and another. "BAGEL MAN - SHE WENT THIS A-WAY!"

Bagel Man looked up from where he was examining a jelly-covered yeast-a-beast. "AH. I SHALL FIND HER AND VANQUISH HER WITH BREAD-LIKE JUSTICE!"

Peanut Butter-Jam Girl was not very far away. Actually, she was in the baguette! She had left a false trail to hide from Cheese Man and Bagel Man.

Peanut Butter-Jam Girl was able to escape while Cheese Man continued his quest...

Cheese Man was still pouting like a little kid when he met A BREAD BEAST!!!

As it slowly came closer and closer, Cheese Man could hear something - its stomach growling. Little did Cheese Man know, though, Bread Beasts only eat bread.

"P-please don't eat me, Bread Beast!" he cried, as if it could understand him.

The Bread Beast stopped and bellowed like a Bantha, then continued its steady walk toward Cheese Man.

Cheese Man started to shiver in fright... then he fainted.

When he awoke, he found that he was in a super secret chamber created by none other than Bagel Man. "I HAVE SAVED YOU FROM THE YEAST - I MEAN BEAST - FAITHFUL CITIZEN," cried Bagel Man.

But the Bread Beast was still there, walking ever so slowly like a Bantha, and when it was close enough, it started licking Cheese Man's face.

Cheese Man cast a confused look to Bagel Man, wondering why his face wasn't gone yet.

Bagel Man's face twisted with disgust, "Either you taste good or he wants to be your friend," he said, "or possibly both!"

Cheese Man wailed, "My BeAuTiFuL fAcE!! WHY does tHis hAVe to hApPeN to mE?!"

But after a while, Cheese Man decided that he could maybe (only maybe) be friends with the weird creature, but then the Bread Beast began to chew on his hair.

"EW!!!! Get it off meee!!!" screamed the Cheese Man.

The Bread Beast started grunting very loudly, calling all of its hungry Bread Beast buddies.

Even Bagel Man started to worry, because, you see, the Bread Beasts usually only like to eat bread. However, since cheese and bread go so well together (and Cheese Man had cheese-scented shampoo), the Bread Beasts decided to make an exception.

Cheese Man scurried to his feet and ran as fast as he could with Bagel Man trailing behind him.

He ran faster and faster, almost feeling like he was flying!! And then he noticed he WAS flying!!

Cheese Man flapped his arms like a bird and stared at Bagel Man (who was watching with wonder), until he flew smack into a large waffle! Not just any waffle, but the Waffle Mountain! The highest mountain in Food Land.

Suddenly, a rumbling sounded from inside the mountain. It was the dreaded Waffle Beast!

Still wondering why he had flown, he started running up the mountain again.

Bagel Man tried to warn Cheese Man, but he wasn't loud enough. There was more jelly on the ground - no doubt from Peanut Butter-Jam Girl... had she run into the Waffle Beast?

Still wondering why he had flown, he started running up the mountain again.

Bagel Man desperately tried to catch up with Cheese Man, but he just wasn't fast enough.

At the very top of the mountain, there was whipped cream-snow and a big cherry.

Sprinkles were raining down onto Cheese Man's head, but he was determined to reach the top.

Trying desperately to hide, Cheese man decided to dig a tunnel through the whipped cream snow, before reaching the top.
