- Maintain a healthy relationship with NSA's Support group.
- Remain involved in all applicable discussions in the Student Council.
- Skip no more than two Student Council meetings per semester.

July Update - Jeriel Jammullamudy

Yea so this month was crazy. I started training with Damon, kinda trained Lexi but she already knew everything 'cause she was such a great rep. :D and I did some stuff for the websites.

Goals

Obtain all the wisdom I can from Damon regarding the SPC position

Work on the Summer Banquet

Finish building a calendar of events with Damon and Lexi

Release an unofficial debate contest (working with Cody, Hudson, and Damon on that)

Develop the Legacy Project

Build a contest rubric with Morgan

August Update

N/A Jeriel Jammullamudy resigned and we are in the process of re-electing a new SPC as per the Student Council Constitution. Charles Keer was elected on September 7, 2017.

September Update - Charles Keer

Well this has been a very interesting few weeks XDD

For the past few weeks I have been getting my bearings around the Student Council, and learning what my responsibilities are, and how to do them. Spirit Week has been made completely, and has been submitted to Support for publishing. Spirit Week will be from Sep 25-oct 2. I have worked with my intern and shown her what her responsibilities are, where, and how to do them. The writing contest is still going on, and will be finished on September 27th. I have updated the events calendar... don't know if it needs to be approved, but that is done, and I will need to send that to Alexa.

Goals:

1. close spirit week and see what the pros and cons were to everything
2. close writing contest, pick judges, and judge
3. Learn anything else that needs to be learned, and answer any questions from my intern.

October Update

This month hasn't been too busy for SC for me (don't get me started on school though U_U).

Accomplished:

- Writing Contest finished (yay!!)
- Finally got that video intro thingy finished U_U
- Created the Art Contest
- Worked with my intern and Morgan to make judging criteria for the contests
- Talked with Cody briefly about OCC

Goals:

- Close out Art Contest
- Put out posts in the very near future announcing the end of the Art Contest, and to get more submissions (The more the merrier)
- Pick judges for Art Contest, brief them, and get the contest judged
- Start planning for the Thanksgiving Celebration
- Work with Cody on OCC (or whatever we're calling it)
- Get feedback from my intern as to what she liked, and what could be improved.

Uhh I'm probably missing something (tell me if I am)... otherwise everything went pretty smoothly for me.

November Update

Update:

Accomplished:

- Art contest completed, judged, and prizes sent to the winners (congrats Brianna and Carol!!)
- Taking ideas for different contests for the future (people really seem to like cooking and Minecraft)
- Worked with Cody on the Christmas Campaign
- Thanksgiving Feast was a success (hoped to see more attendance, something I can work on)
- And finally, I probably ate too much food over the past week due to the unhealthy holiday of Thanksgiving U_U

Goals:

- Create the Music Contest
- Meet with my intern, and inform him of what his responsibilities are
- Work some more with Cody, and get more info on what I need to do for the Christmas Campaign

I'm probably forgetting something here, so please feel free to correct something.
